AAYLC (Asian American Youth Leadership Conference)

AAYLC_PDX

MISSION

To help Asian American youth rise above the obstacles before them and achieve their potential by promoting education, instilling self-confidence, and developing leadership skills.

ABOUT AAYLC

This conference serves as an annual summit aimed at inspiring Asian American youth to value the importance of self-discipline, self-confidence, self-esteem, and the overall rewards of perseverance and achievement. Our primary goal is to enable students to increase their understanding and appreciation of the heritage, culture and contributions of Asian Americans as well as foster the development of leadership and life building skills. We believe that when youth are provided with resources, empowerment, and opportunities, they can become role models for others in their communities.
