Dear Potential Sponsor,

I am writing on behalf of the Asian American Youth Leadership Conference (AAYLC) to request your participation as a corporate sponsor.

Today's teens are faced with a multitude of challenges: navigating social pressure, working to fit-in, and ultimately, making the right choices to create a future for themselves. Continued development of social and academic skills is paramount to address these challenges. Our mission is:

“To help Asian American youth rise above the obstacles before them and achieve their potential by promoting education, instilling self-confidence, and developing leadership skills.”

The Asian American Youth Leadership Conference helps our youth recognize these obstacles and develop the social and academic skills necessary to face a dynamic and diverse world. By sponsoring AAYLC, you provide much needed support of our 2019 conference and help us inspire model community leaders.

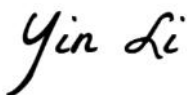

The enclosed sponsorship packet includes the following:

- Benefits of Sponsorship

The organization strives to provide youth with a strong foundation for the future through education and by instilling self-respect, leadership skills, and integrity. History

The Asian-American Youth Leadership Conference started in 1993 with a core group of dedicated volunteers who realized that many of our youth were missing out on opportunities. They wanted to change lives in a meaningful and lasting way, and determined the most valuable gift is one of empowerment, as it builds a strong foundation for future community leaders.

Why We Continue

The workshops benefit more than 500 high school students that represent diverse ethnic and socioeconomic backgrounds. Over 37 different schools throughout Portland and SW Washington are represented.
